ASSIGNMENT OF INVENTIONS

WHEREAS, we, Harold M. Forman, a resident of Pennsburg, Pennsylvania, U.S.A., and Trevor G. Smith, a resident of Phoenixville, Pennsylvania, U.S.A. have invented certain new and useful improvements in RECLOSABLE SEAL, PACKAGE, METHOD AND APPARATUS, for which application for United States Letters Patent was executed on the 16<sup>th</sup> day of October, 2000.

AND WHEREAS, Sealstrip Corporation, a corporation of the State of Pennsylvania, having a place of business at 200 N. Washington Street, Boyertown, Pennsylvania 19512, hereinafter referred to as Assignee, is desirous of acquiring an interest in said inventions and in and to any Letters Patent which may be granted therefor;

NOW THIS INDENTURE WITNESSETH, That for a valuable consideration, the receipt whereof is hereby acknowledged, we hereby assign, sell and transfer unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to said application and in and to the invention or inventions therein shown and described, including any and all improvements heretofore or hereafter made, as well as in and to all patents United States or foreign, that may be granted for the invention or inventions shown and described in said application for United States Letters Patent and improvements thereof, including any and all re-issues, continuations, divisions and extensions of said patents, in and to any and all priority and/or Convention rights or benefits accruing or to accrue to us with respect to the filing or securing of patents in the United States and/or any and all countries foreign thereto, and covenant that we have full right so to do, the same to be held and enjoyed by said Assignee for its own use and behoof and for its legal representatives, successors and assigns to the full end of the term or terms for which said Letters Patent may be granted as fully and entirely as the same would have been held by us if this assignment and sale had not been made;

And we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents on said United States applications or for the invention or inventions thereof, in accordance with this assignment.

And we agree that we will communicate to said Assignee or its representatives any facts known to us respecting said improvements whenever requested, and testify in any legal proceeding;

And we hereby grant to Assignee the right to apply in its own name for patents corresponding to the above inventions in countries foreign to the United States;

And we further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for subdivisions of any applications for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for our aforesaid invention or inventions and to perform such further acts as may be required to carry out the intent of this agreement as the Assignee thereof shall hereafter require and prepare at Assignee's expense.

WITNESS, our hands and seals this 17<sup>th</sup> day of October 2000.
